

Chapter 1: Jammy's dreams...

One night, Jammy had just finished buying her new PC from the store after Timor broke it the other day. She was very sleepy that night, so she turned off her PC and went to bed. Eventually, she started dreaming, and would later discover a childhood friend in her dreams... well, an IMAGINARY one.

She then woke up in her childhood bedroom. She's very confused. "What in the...?" Then, she notices that her imaginary friend from her childhood, Jenny, is sitting right next to her. Jenny was very happy to see Jammy again after all these years. "Hiiii!! Long time no see, friend!" Jammy is still confused as she asks "Where am I? How did I end up here?" Jenny had brought Jammy into the dream because she wanted to see her again. "We haven't been able to talk to each other ever since you've grown up and forgotten about me... so... how's your adult life going?" Jenny asks. Jammy answers, "Well, it's fine... I still have my friends from when I was 6 years old and some major events have happened..." "Ooooh, that's nice! So..." Jenny then showed Jammy an old drawing Jammy made of them. "Do you remember what we used to do?" Jammy remembers these drawings clearly. "Oh, yeah! I remember when I used to be a weird kid obsessed with silly rainbows and other cute things." "Of course, and you also made a few of you kill some people since you told me they were bullying you because of the way you look." Jammy then thinks about what she used to do. Jammy had remembered that she was at the playground chilling, until a bully came up to her and hurt her and ripped her coloring book to shreds. They laughed at her and started to call her names. But then... Jammy SNAPS. She picks up a rock and begins to hit the bully's head really hard with it. The bully's head started bleeding and the other bullies tried to stop her, but ended up being killed by Jammy. Her psychopathic behavior goes back to a while ago, and just recently stopped. Jammy couldn't believe how insane she used to be, and is very glad this behavior has stopped. "Anyways, I know that things haven't been too great and that you're having a very tough time here." Jenny says. Jammy then adds, "Yeah... but I've changed though. I've stopped being a psychopath because of what's been going on recently..." Jenny then found another drawing. It was Jammy giving a heart to her mother, but her mother just ignores her and looks away. Jammy then looks at it, wondering why her mom treated her so poorly. "Y'know, I've always wondered why my mom just focuses on my sisters and not me." Jenny replies, "Well, maybe she was just busy." Jammy adds, "OR she doesn't care about me at all. No wonder why she's always yelling at me whenever I do something bad by accident... I guess she wants me to be trapped alone here." "I think so too... you always have injuries around your face and body." Jenny then realizes the trauma Jammy may have dealt with as a child. She realizes that Jammy's mother may have abused her a lot and yelled at her. She begins to get emotional and feel bad for Jammy. Jammy sighs and begins to feel emotional as well. She remembers what her mother has done to her and has bad thoughts again. She begins to tear up. Jenny then tried to cheer her up by comforting and hugging her. "There there, now... It's okay to cry, you know. I know that everything is just going to be alright now..." Jammy then hugs her back.

Chapter 2: NIGHTMARE FUEL

Suddenly, there's some black smoke emerging from underneath the door, as someone begins to pound on the door. The two friends begin to get scared and confused. "Uhhh... what is this??" Jammy asks. Jenny answers, "I don't know, but we should get out of here!!" Jammy thinks of their plan. "I agree, we need to jump out of this window quickly!" Jenny is too scared to jump though. "I'm not sure... I'm too

scared..." "Trust me, grab my hand and we'll jump, okay?" Jammy and Jenny then grab on to each other's hands before jumping out of the window, hitting the ground. It hurt a lot. They then get up from the ground. "Are you okay?" Jammy asks Jenny. Jenny nods her head, confused as to what is happening. Jammy then sees the black smoke again and gets more worried. "We need to go right now!" Both of them begin to run as they see a red eye pop up in the smoke. They get even more worried. Jammy then notices that the nightmare figure was about to take them away with its sharp claws.. "AAA SHIT, IT'S GETTING CLOSER!!!" Jammy yells as they continue to run as fast as they can. They tried their best to run away... but it was no use. Jammy and Jenny get snagged by the monster's hands. They try to break free but get sucked into the black death smoke as they scream. Jammy then wakes up from her nightmare, screaming and sweating. "AUUGH!!... Holy crap..." She gets out of bed and gets some coffee to calm her down... but then she stops and sees the red eyeball from her dreams again, and it quickly vanishes. She may have been hallucinating, but she's unsure. She then goes back to what she was doing. It is six in the morning and Jammy sits back down to drink her coffee... but then... she turns around and jumps at the sight of her imaginary friend, Jenny, being right behind her again. "D@MN IT, you scared me!" "Oops, I didn't mean to..." Jammy is confused to see her imaginary friend again. "Wait... am... I still dreaming? How are you here if that black smoke thing killed us both??" Jenny answers, "I have no idea." Jenny then thinks of playing some old nostalgic girly Flash games on Jammy's PC. "Hey, Jammy." "What is it?" Jammy asks. "Can I play on your new PC? I'm a bit bored." Jenny requests. "Well... sure. Just don't go on Tumblr please." Jenny wonders why she can't go on Tumblr. "What's that about?" "About what?" asks Jammy. "Y'know... the website you don't want me to-" Jenny realizes why. "Ohhhh, right, right. Welp, I'll be playing some Flash games. If you need any help, just let me know, alright buddy?" "Sure." Jenny then went to play some girly Flash games on Jammy's PC. She found a website with a bunch of games, and decided to play on it. Meanwhile, Jammy was still drinking coffee. She then thinks... the monster could've been her mother... the red eye looked familiar... Then, Jammy hears a knock on the door.

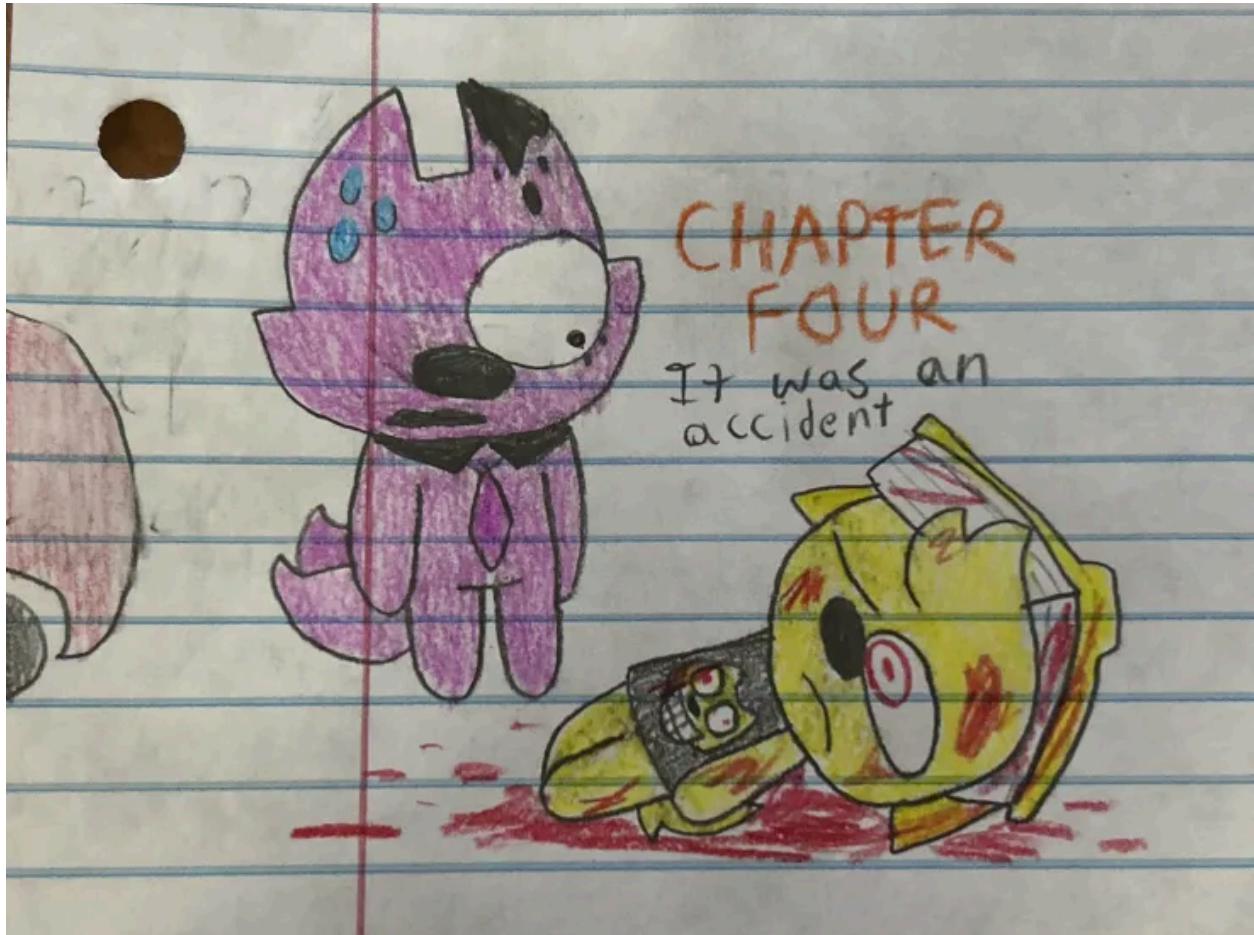

Chapter 3: A familiar face

She opens up the door and sees her little brother, Killian. “Hey Jammy.” “Oh, hey. Whatcha doing here?” Jammy asks. “Dahlia and Lavinia are going on vacation, but they wouldn’t let me come with them for some reason. They said I needed to stay with you for 5 days while they were gone, but I brought some

Faygo for you and me!” Jenny then reappears. “Oh my, is that your little brother?” “Yeah, he is, but he kinda yaps a lot and gets quite annoying.” Jammy replies. Killian wonders who Jammy is talking to. “Uhh... Jammy, who are you talking to?” Jammy is a little embarrassed to admit it, but she tells him. “...My imaginary friend.” “Huh? I didn’t know you had one.” Killian says. “Whatever... I’ve had her since I was just 11 years old.” Jammy says. Jenny adds, “And we have a lot of fun together, like drawing silly stuff, watching cartoons, and many more!” Jammy then invites Killian into her house. Killian walks in and sets his bag on the couch. He also brought his Switch to play with. Jammy then starts thinking of how many people have visited her website, so she goes to her room to hack some more people. As she sits down, the red eyeball gets closer to Jammy and touches her left ear. Jammy turns around in fear, but sees nothing. Whatever that thing is, **it could probably infect Jammy into a killing machine.** After that incident, Jammy turns back around and is feeling kinda bored. Killian runs back into the room, hungry. “Hey, I’m hungry right now, should we get pizza?” Jammy agrees. “Alright then.” Jenny is excited. “YIPPEE!!” Jammy then gets her keys and her, Jenny, and Killian walk to the car with her. She then drives to go get some pizza. As she was driving, she saw a small black spot on her ear in the mirror. She was too focused and shocked with the black spot that she crashed the car a bit. “HOLY SHIT!!!” Everyone is scared. “WHAT HAPPENED??” yells Jenny. “I think... I just ran over someone... I’ll go check, you both stay right here...” Jammy then goes to check if she hit someone. She’s shocked at the sight.

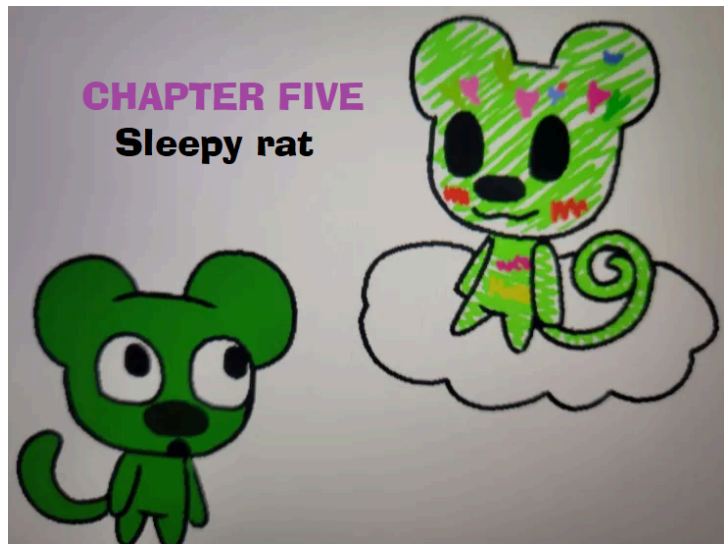

Chapter 4: It was an accident

There is an unknown yellow critter with a book on his head laying on the ground bleeding. Jammy does not know what to do and is confused and afraid because this is not the first time she's done this. The critter opens their eyes and sees Jammy. They attempt to get up but can't because of the injuries "Augh..." Jammy was shocked to see this critter still alive. "Hey there... are you o-" The critter then looks at Jammy with some crazy looking eyes and says "Yep, I'm fine... I was just drunk, I guess." Jammy is confused. "Well, it's a good thing that you're alive and that I don't have to worry about this happening again." "Hehe, yup!" Then, the critter runs into the bushes like a dog and hides. Jammy is weirded out. "Okay, well that was weird as h3ll..." Jammy then goes back into her car. "What happened?" Killian asks. Jammy answers, "It was just some crazy drunk guy that was weird." After that incident, Jammy and her brother and imaginary friend go back to driving to get pizza.

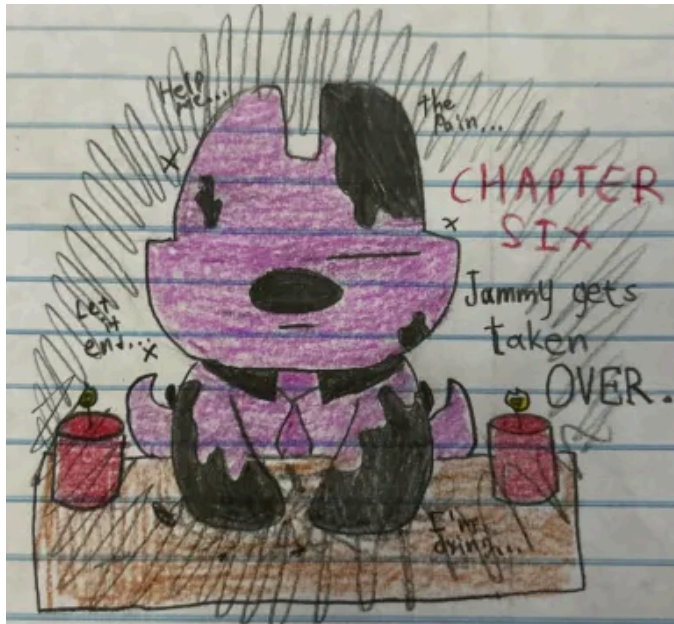

Chapter 5: Sleepy rat

Meanwhile, Jams and his friends were at their house still, thinking about how well they made Jammy feel the other day. It's pretty late at night, so after Bupps ate his last slice of pizza for the night and Kaiden drank his last can of Pepsi, they decided to go to sleep for the night. "Okay, I need to go to sleep. It's pretty late right now." says Jams. Bupps agrees, "Me too." "Alright, goodnight everyone." Everyone then wishes each other a good

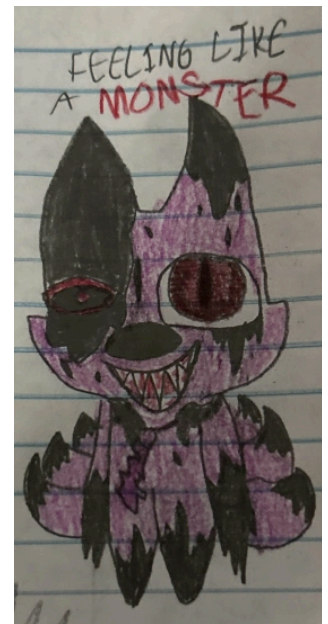

night and heads off to bed. The gang then all goes to sleep, and Jams begins to have a little dream again. Jams is dreaming he is at a flea market again, and he is looking for his interests there, like vintage toys and other things. He ends up finding a plushie of himself and finds it interesting, seeing that some people have bought his merchandise in the past. He decided to buy the Jams doll on the way out since he found it interesting, and he began to walk home. On the way home, he walks by a few familiar faces, like Gabe, Smartie, and Moon. He had also found a scribbly green rat with Hoops and Yoyo stickers all over his face and body. Jams is quite interested. "Huh? That person over there looks familiar... Who is that?" The scribbly green rat notices Jams and begins to walk towards him. "I think I remember you... You look familiar!" Jams says to the rat. The scribbly rat begins to speak. "Jams? Hey there, buddy! I'm Jix, do you remember me now?" Jams is shocked and remembers clearly. "JIX?? YOU'RE BACK?? I remember you now! You were my imaginary friend!" "Yup, that's me! How's life nowadays?" Jix asks. Jams answers, "Oh, it's alright. I had a psycho friend named Jammy and I recently helped her snap out of her psychotic behavior!" "Oh, I remember her too. She was kind of crazy... glad you could help her out!" Jix says. "Yeah, we made her life way better for her and helped her deal with her trauma. It was very heartwarming." Jams adds. Jix says, "Aw, I wish I was there!" "Yeah, I've missed you a lot... but anyways, I need to go back home now. I bought a plushie of myself from a flea market and I need to get home since it's a little late." Jams wishes Jix goodbye again. "Oh, alright, see you later, pal! Hope you remember me some more one day!" "Bye Jix! I'll never forget you again!" Jams then walked back home with his plushie and put it in his bed as he tried to fall asleep again. As he was about to go to sleep, he looked to the right of him and saw Jix in his bed. He was quite shocked but kinda happy to see him again at the same time. He made sure not to shout though since he didn't wanna wake him up. Jams then went back to sleep.

Chapter 6: Jammy gets taken OVER.

Back to Jammy, Killian, and Jenny, they were eating pizza in the kitchen when Killian noticed Jammy's left ear being covered in the mysterious black stuff. "Jammy, what's that on your left ear?" He asked. "Yeah, it looks like it's getting bigger." Jenny adds. Jammy is super concerned and runs to the bathroom to look into the mirror. She looks at the big black spot on her ear in shock. "M-maybe I should try to wash it off..." She tried to wash the black spot off, but it didn't come off. Jammy begins to feel weird. "W-what's... happening... to me?" She begins to hear voices in her head and

she is about to be controlled. "WHAT THE FVCK IS GOING ON?!??" Suddenly, her hands and legs begin to turn black as well. She was super afraid. She began to sweat as she saw someone in the mirror. Killian and Jenny heard the screaming coming from the bathroom and ran to check what was happening. "Jammy, are you alright in there??" Jenny asks with concern. Jammy cannot take this horrible pain that her horrible mom has put her through. **Jammy suddenly grows 4 more tails. Her eye gets bigger. She gets taller and black tears begin to run down her cheek. A monster has gained control over her body, and there's almost no stopping her from what will happen next.** Killian runs to the bathroom to see what's going on, and the amount of shock he felt when he saw the tall, dark, monstrous version of Jammy was unreal. Killian and Jenny were HORRIFIED of the sight. "J-Jammy??" Killian stutters. 'Oh god... SHE HAS TURNED EVIL.'" Jenny says. Jammy takes a step forward toward Killian as he also takes a step back, horrified. Killian didn't know what to do, so he threw something at Jammy and tried to hide somewhere. Jammy then gets VERY angry, and chases after Killian!! Killian screams and runs away as quick as he can to escape from the enraged and evil fox. "OH NO!!" Jenny shouts in fear. THE CHASE WAS ON!!!

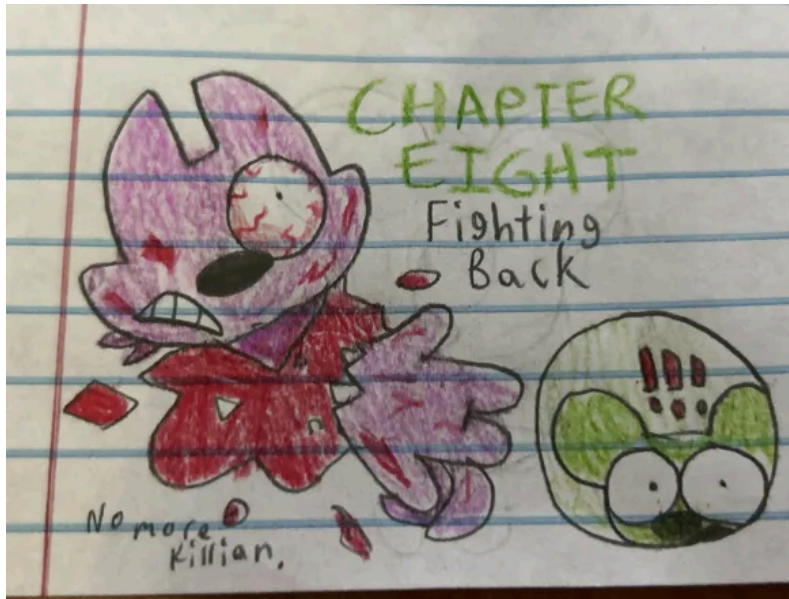

Chapter 7: THERE WILL BE **MORE** BLOOD

“OH NO, I’M GONNA DO SOMETHING!!” Jenny tries to think fast before it’s too late. Meanwhile, Jams and his friends were still chilling at home, not knowing about what’s going on. Jenny began looking for them. She finds their house, peeks through the window and sees the gang chilling on the couch. She then knocks on the door. “Huh? Who’s at the door?” Jams asked before answering the door. Jenny is at the door. “Hey, uhuh I need your help...” Jenny was very worried. Jams doesn’t know her yet. “Who are

you? What’s going on?” He asked. Jenny answers him, “I’m Jenny. You may not know me, but I’m Jammy’s imaginary friend, and I’m here to tell you that you need to help me.” “What’s the problem? I’m happy to help.” Jams replies. Jenny gets ready to tell Jams everything. “Okay, so... JAMMY GOT INFECTED BY THIS EVIL BLACK THING AND IT TURNED HER INTO A TERRIFYING MONSTER AND SHE WAS ABOUT TO GO ON A KILLING. I NEED SOMEONE WHO CAN STOP THIS IMMEDIATELY!!” Jams is shocked. “WHAT?? OKAY I’M GONNA HELP YOU BECAUSE THAT SOUNDS TERRIBLE.” Killian then runs toward them with Jammy running behind him. Jams is incredibly shocked and doesn’t know what to say after seeing this monster. “IT’S CHASING AFTER MEEEE!!!!” Killian yells as he runs from Jammy. Jams is speechless. Jammy then notices someone else. The yellow critter from earlier that Jammy hit has come back. Jammy walks towards him, **and attacks him with her sharp claws!! The critter screams very loud as blood goes everywhere and he gets torn apart.** “SHE’S KILLING SOMEONE!!!” Jenny yells. Jams is SUPER worried. “AUUGH! I DON’T KNOW WHAT TO DO...!! I NEED TO THINK FAST...” Jammy then begins to eat the yellow critter’s body. “I’M SO THANKFUL THAT MY FRIENDS AREN’T OUT HERE, OTHERWISE THEY’D BE DEAD PROBABLY.” Jams says in shock. Jammy then looks at Jenny and Jams. “UHHH... OH SH!T...” Jams stutters as he still doesn’t know what to do. He then thinks of a plan. “I think I need to run back inside quickly and board up the doors and windows...” Jenny agrees to help him. Jammy then jumps into the air, hitting a car next to them. She is **ENRAGED** and ready to kill. “GET THE H3LL INSIDE, JENNY!! GOOOOOO!!!!” Shouts Jams as he and Jenny run inside the house. Jams begins to board up the door while Jammy is roaring outside. Bupps sees Jammy’s imaginary friend and is confused. “Who is that? What’s going on??” “NO TIME TO EXPLAIN, IT’S JAMMY’S IMAGINARY FRIEND AND WE NEED TO ACT FAST.” Jams shouts as he continues to board up the house. Jammy then tries to break the door down. “JENNY, HELP ME PLEASE!! SHE’S TRYING TO GET IN!!!” Jams yells at Jenny.

Chapter 8: Fighting back

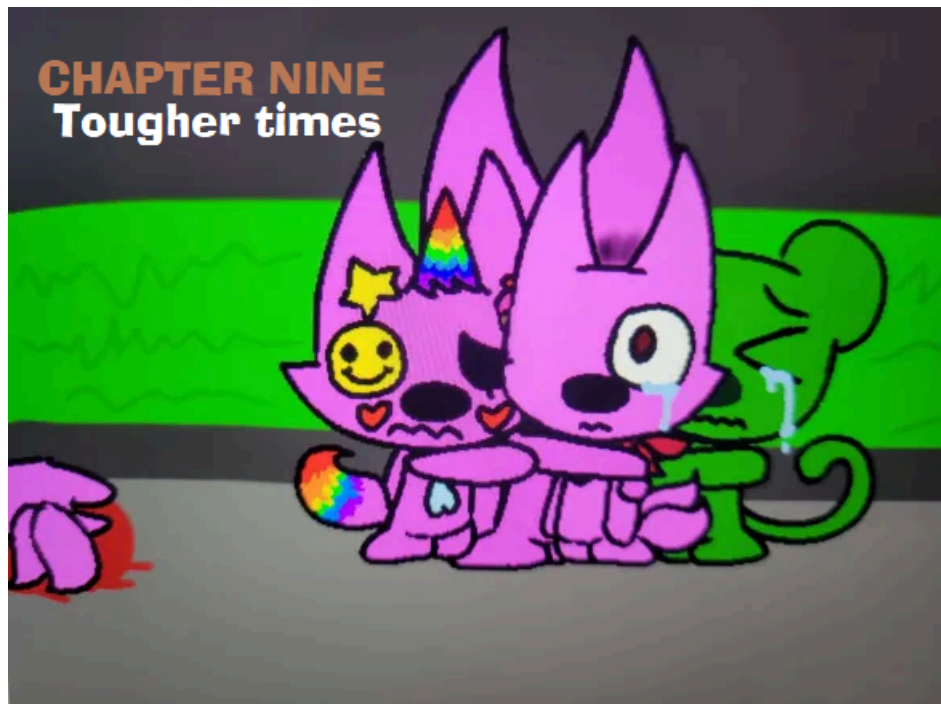

Jenny is confused and doesn't know what to do. She then gets an idea of what to do. "Wait a minute, I know!" She then pulls out a kawaii gun from her unicorn horn. Jams is impressed and they're about to fight back soon. "Stay back!" Jenny says as she shoots rainbows and candy from her gun. "I hope this stops her..." Jams hopes. Unfortunately, **this didn't work**. "OH FVCK." Jams shouts as Jammy roars again.

She began to break the door down more. Jams is worried and scared. "THINK FAST THINK FAST THINK FAST... I DON'T KNOW WHAT ELSE TO DO..." Jammy then sees Killian again, and Killian decides to fight back! He tried his best to beat up the monster. Jams looks out the window to see this happening. "YO KILLIAN IS BEATING HER UP!" He tells Jenny. Killian keeps fighting with monster Jammy until she's had enough. **She pins Killian down, and twists his head around, ripping it off.** "HOLY SHIT!!!! SHE FVCKING KILLED KILLIAN!!!!" Jams shouts after seeing the horror. **Killian has been killed.** "NOOOOOO!!!" Jenny then begins to sob. Jams tears up a bit. The real Jammy begins to fight against the darkness. "STOP!!! YOU'VE MADE ME KILL MY OWN BROTHER!! WHY ARE YOU DOING THIS TO ME?? WHYYYYYYY?????" She screams as she tries to stop the darkness from controlling her. She started to tear up with black as she struggled to escape this madness... Suddenly, an unknown person comes out of nowhere and zaps her with a zapper gun. Jammy screams as this occurs. The cops have also arrived at the home. Jammy falls to the ground in pain. "HELP MEEE!!" She screams. Afterwards, Jammy turns back to normal and she passes out from all of the pain. Jams and Jenny are shocked. And back at Jammy's house, guess what happened? Just like Jammy did, **Killian came out of her PC**, and was still alive. Jammy was being taken away by the cops and was about to be locked up. Jams was speechless. "I- I-" Jams began to cry. Jammy wakes up. "W-wha- HEY!!" Jammy pushed the cops while she was being arrested. Jammy never wanted this to happen, and she looks at her little brother dead on the ground in horror. "No... IT CAN'T BE!" Jammy ran toward the corpse of her brother. "NO, NO, NO!!" Everyone in Jams' house begins to cry after Jams tells them more.

Chapter 9: Tougher times

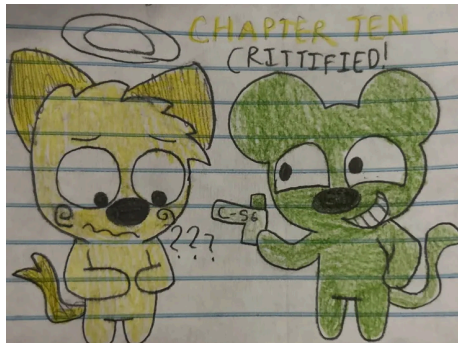

Jammy is on the ground sobbing uncontrollably at the sight of her little brother Killian's dead corpse laying on the ground until... "Jammy...?" Jammy looks behind her to see Killian standing there. Jammy is still in tears. "KILLIAN!!" She runs up to him and hugs him tightly. Jams is happy to see the little fox still alive and well after what

happened. Jammy

and her brother are hugging each other tightly in tears. The entire gang is still in tears but are all very happy too. Jenny runs outside to join in on the hug as well. Jams also joins in on the hug because he feels bad for Jammy and Killian. Jams then starts to speak. "Y'know, Jammy... I had an imaginary friend too... His name was Jix and he had Hoops and Yoyo stickers all over him..." Jenny then says "Woah." "That sounds interesting, I bet that Jammy and Jix would become friends." Says Jammy. Jenny is interested. "Yeah, because I really wanna make some friends and show them my interests!" Jix then walks outside to see the group. "What's goin' on out here?" he asks. Jams is happy to see Jix again. Jenny is also excited. "Hello there!!" Jix then greets her. "Oh hey there! What's your name?" He asks. "I'm Jenny and I'm Jammy's imaginary friend. And what about you?" "I'm Jix, and I'm Jams' imaginary friend!" "Ooh, cool!" Jenny responds. "So, do you like drawing and stickers?" Jix replies, "Yeah." "Good, maybe we should go hang out sometimes, y'know." Jenny happily says. "Yeah, we'd make good friends!" Jix responds. Jenny is very happy to meet a new friend of hers! "Aww... I knew they were good for each other!" says Jams. "Indeed," Jammy responds. A group of two critters and a human then walk toward the group.

Chapter 10: CRITTIFIED!

“Smartie? Who are these others that are with you?” Jams asks. Smartie answers, “Oh, this is Watermelon, a pink and green bunny, and Sharkie, a fellow human-shark hybrid! We used to work together in Sharkie Studios.” “Ooh, cool.” Jams replies. “One problem though... Sharkie... how is he a human in a world of critters?” “Ummmmm... Don’t know.” Sharkie responds, worried. Jams is the one who’s been crittifying everyone, if you didn’t know. “I make sure

to crittify everyone that steps foot into this dimension as a human, and this is what I see? A HUMAN? I’m not even mad... just impressed. I never knew about you, Sharkie.” Smartie then speaks. “He just randomly went into this dimension and we made a site together, which was Sharkie Studios.” Jams is still impressed with Sharkie. “Well, he may be the only human here. But... not for long...” Sharkie is more worried as he steps away from the group. “HEY GUYS, WATCH THIS!” Jams shouts as he takes out the Crittifier-56. “I USE THIS TO CRITTIFY!” Sharkie was even more afraid. “OH HECK NO!” Sharkie says as he tries to flee. “Nah...” Jams says as he shoots Sharkie with the Crittifier-56. **Poof.** “Did it work again?” Turns out, it did. Sharkie sat there, no longer as a human-shark hybrid, but now as a CAT-shark hybrid just like Smartie. “IT WORKED!” Jams shouts as he sees Sharkie. Jammy is quite shocked. “I didn’t know you could do that.” “Welp, I can, and now you know!” Smartie starts to laugh. “HA! HE LOOKS LIKE ME!!” Sharkie is speechless. Cutedog was also here the whole time. “Hehe, the silly!” she says. Sharkie finally manages to spit out some words. “I... need to go... bye...” Sharkie then ran off, feeling quite embarrassed. “Now what?” Cutedog asks. “I can confirm that he did this to me as well,” Kaiden mentions. “Oh, well you look cute though!” Cutedog says. Kaiden agrees. “Looks like I’m the only one here that’s not a critter... it’s a good thing that I don’t ge-” **Poof.** Jams zaps her with the Crittifier-56, turning her into a critter. “Welp, that sure was a day!” Jams and his friends begin to walk back home while Smartie and Watermelon follow them and Jammy and her brother and imaginary friend walk back home as well.

Kaiden: “I guess that’s the end of another book.”

Jams: “Can you all quit breaking the fourth wall?”

Kaiden: “Okay, whatever.”

The End. Hope you’ve enjoyed it!
